

Karaoke Party

Hip-hop kids, singing 'Gin & Juice', punk rock kids cold cuttin' loose
Touch my glass to a hipster's beer as he belts out some Tears For Fears

CHORUS

Hold your hand out, swallow up your pride
Don't get full up of it, cuz we're all on the same ride
And it's so much better when you don't have to hide

Asian girl with fingerless gloves forgets the words to 'Could You Be Loved'
So we help out, by singing along... 'could ya be, could ya be, could ya be'
50 lungs strong...

CHORUS
